

Based on demand and surveys we will offer the following:

- Heat
- Electric Hangar Doors
- Water
- 42' wide doors
- Rent or Own options
- No sewer

Survey can be filled out at Niss Aviation in Mansfield Lahm Airport.

Design options will be based on demand and will influence pricing.

We are taking names of interested parties and a modest refundable deposit of \$500. Individuals who choose not to place a deposit will be given secondary priority to those depositors.

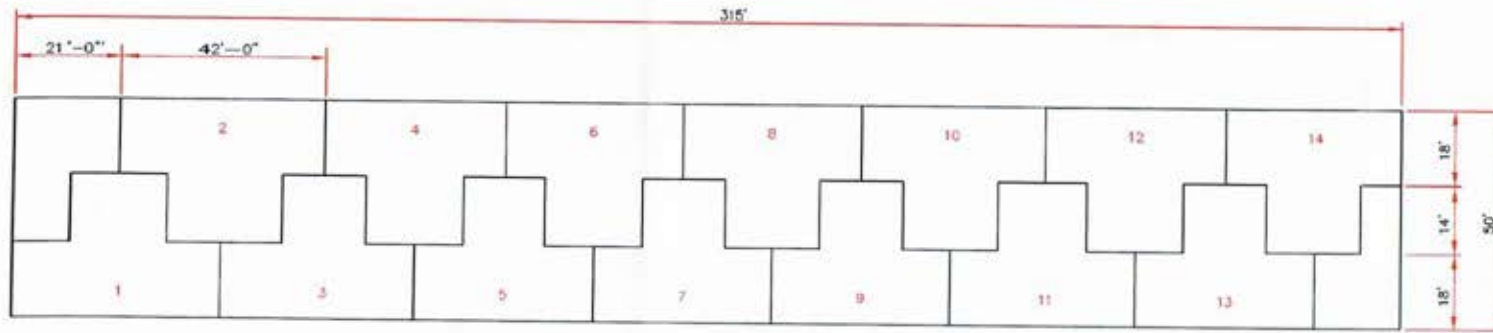

Due to market conditions and supply chain constraints, final pricing will be determined at a later date once steel prices stabilize and drop back to reasonable prices.

# Mansfield Lahm Airport T-Hangars

## COMING SOON!

SIGN UP FOR WAITING LIST  
AT NISS AVIATION IN FBO AT  
MANSFIELD LAHM AIRPORT.
